*Led by three long-time professional flutists and teachers: Dawn Weiss, Carla Wilson, and Denise Westby. Each day will be filled with small ensembles, solos, coaching, and sharing fluting ideas. Wednesday's special guest is Vance Pennington, Native American flute maker and performer. He will discuss his craft and display some of his beautiful instruments (<http://waking-spirit.com>.) In-between sessions, you'll have time to be on vacation at the awesome Oregon Coast!*

*Held at The Lodge at Gearhart's Little Beach (<http://lodgeatgearhart.com>) we'll have the background music of the ocean during our rehearsals. The lodge is a wonderful location on the bay, steps from the ocean. An ideal place to enjoy a break away from the daily routine. A real vacation destination.*

*For amateur adult flutists who want a fun way of enjoying their music with others. Join us for a fun-filled educational vacation experience.*
